

## Oak Brook Fraternal Order Of Police 2006 Annual Dinner Dance

While Kids In Need looks ahead to planning the annual Oak Brook F.O.P. charity night, it's hard not to look back on last year's record setting event.

Oak Brook's finest have traditionally raised tens of thousands of dollars for KIN at each party, but 2006 set a new benchmark with donations topping \$100,000.

The best part... all that money stays in DuPage County, and will help the kids who need it most.

Event Chairman Lt. Marc DeLise says the record attendance of over 220 people got into the night's theme of music, and danced until midnight.

A special thanks to everyone who attended, and also to Mike and Marilyn Quinlan who presented KIN with a \$25,000 donation from Ronald McDonald House Charities.
