Dear Roz Laccino:

The 2006 PGA Championship Community Relations Program at Medinah Country Club was very successful. It was a pleasure to learn about your charity and the various ways you are supporting your community.

I thank you very much for your kind words expressing your appreciation for being a participant. We do wish you continued success for 2007. Your commitment to community service has made the difference in many lives. We are grateful to have played a small role in offering you and your constituency an opportunity to experience a PGA Championship.

We created a DVD to summarize the Community Relations Program. Hopefully, the DVD will bring great memories of the PGA Championship.

One of our goals is to grow the participation of golf and offer it to individuals that might not otherwise have a chance to experience the game. If you have considered introducing golf to your clients, please let me know. More information can be obtained from PGAFoundation.Com.

Again, thank you and we wish you continued success.

Sincerely,

Earnie Ellison, Jr.
Director, Business & Community Relations
